I have read the above and realize the school relies upon my regular and prompt payment in order to continue in its ministry. I have chosen the following option for payment (please check one):

- Plan 1 - Full Year Plan (3% discount given)**
 - Tuition paid in full by August 22, 2016
 - Entire amount must be paid by above date to receive discount

- Plan 2 - Semester Plan (full tuition rates apply)**
 - Tuition is paid in two installments
 - ½ paid by August 22, 2016
 - ½ paid by January 16, 2016

- Plan 3 - Multi-Payment Plan (full tuition rates apply)**
 - Families must be enrolled with F.A.C.T.S. by August 1, 2016
 - Monthly payments will be debited from a checking or savings account throughout the academic year (beginning August 5 or August 20 and continuing for 9 additional months with final debit pulling in May).

I agree to make regular payments according to the chosen option and terms.

I also understand that special circumstances sometimes result in regards to my ability to pay tuition and that these should be brought to the attention of the principal so that the NLHS Tuition Assistance Committee can be consulted and determine special arrangements if necessary.
