

HOW NLHS IS AFFORDABLE FOR YOU

NORTHLAND'S COMMITMENT TO PROVIDE TUITION ASSISTANCE

The Northland Lutheran High School Board of Directors, on behalf of the Association, is committed to offering secondary Christian education to all families regardless of their financial situation.

NLHS has a Tuition Assistance committee which partners with families to make Christian education affordable to all students. Each application for tuition assistance is handled individually as Northland will provide as much assistance as needed without being restricted by a set amount to reward.

Please consider each of these sources for assistance:

† **SCRIP (School Cash Rebate Incentive Program)**

When you purchase gift cards from the NLHS SCRIP team to use at national and local retailers, you receive tuition credit for your family. Without spending any additional funds to purchase everyday items such as gas and groceries, you can earn credit that will be applied toward your tuition payments.

SCRIP is available for purchase at the school, several area churches and also offers options to purchase and reload cards online.

Please see our website or contact the school office at 715.359.3400 for more information and open your SCRIP Tuition Credit account so you can begin earning credit today.

† **Family Support**

Perhaps a grandparent or other family member would be able to provide financial assistance with your tuition obligation.

Also, once you set up a SCRIP Tuition Credit account as mentioned above, family members and friends can designate your family to receive tuition credit from their purchases as well.

† **Congregational Support**

Inquire with your pastor to find out if your congregation offers tuition assistance what steps can be taken to participate.

† **NLHS Tuition Assistance**

As stated above, we are committed to making secondary Christian education affordable to all families regardless of their personal financial situation.

To apply for tuition assistance please go to www.nlhs.org, click on the 'FACTS' link found under 'Parents & Students' and fill out the appropriate information.

† **Tax Deduction**

Starting in the 2014 tax year, families can deduct up to \$10,000 for tuition paid for dependent children who are high school students.
